2. Your file will save to your device (computer, tablet, or phone).
3. Open the PDF directly in your browser, a PDF reader (like Adobe Acrobat), or in your downloads folder.

### For ZIP Files:

1. Click the download button on the product page.
2. Your file will save as a ZIP folder on your device.
3. On a computer: Right-click the ZIP file and choose Extract All or Unzip.
4. On a phone or tablet: Use a free app like iZip (iOS) or RAR (Android) to open the file.

## How to Print Your Files

1. Open the PDF file.
2. Go to File > Print or press Ctrl+P (Windows) or Command+P (Mac).
3. In your printer settings:
  - Set scaling to 100 percent (Actual Size).
  - Choose standard letter-size paper (8.5 x 11 inches).
4. Print your pages!

Optional: Print at a professional print shop like Staples, Office Depot, or a local print shop.

## Fun Ideas After Printing

- Use crayons, markers, or colored pencils to complete the pages.
- Hang the finished artwork on the fridge or a wall.
- Use the worksheets for learning time at home or in the classroom.
- Create a folder or binder to store all of Gabby's adventures!
