

GABBY'S

VALENTINE SURPRISE

♥ Mini Story: Gabby's Valentine Surprise

Gabby the dog woke up feeling extra happy.

Today was Valentine's Day!

She wagged her tail and looked around her cozy home.

"I want to do something special," Gabby thought.

Gabby picked up her basket and went on a little walk.

She found pink hearts, red flowers, and sweet treats along the way.

First, Gabby gave a heart to her friend Kitty.

"Happy Valentine's Day!" Gabby barked happily.

Next, she shared a flower with Bird.

Bird chirped and smiled.

Soon, Gabby's basket was empty—but her heart was full.

She sat down and held one last big heart close.

Valentine's Day wasn't about candy at all.

It was about kindness, sharing, and love. ♥♥
