

Gabby and the Shiny Puddle

Gabby walked with her frog and snail friends after the rain.

They found a shiny puddle on the path.

“Ribbit! Who is that in the water?” said Frog.

“Slow and shiny... that looks like me!” said Snail.

Gabby wagged her tail.

“It’s our reflections!”

They made silly faces and watched the water wiggle.

“Even in a puddle,” Gabby said,

“we look happy together.”

And they hopped, slid, and trotted on their way.
