

# Sprout A Sweet Potato Jungle!

Sweet potatoes aren't just for eating—  
they are amazing roots!

Stick some toothpicks in one, set it in  
water, and watch the 'slips' turn into a  
kitchen jungle."

## The Challenge

Day 1: Set your potato in the jar and mark your calendar!

Daily Check: Add water and look for tiny white roots.

The Race: Mark off each day until you see the first green leaf! 🌱
